

Sale Name: YAGI's Electrical Auction Ending June 30

LOT 56 - NEW - Sola 63-23-175-8 MCR Hardwire Regulator 750VA

Description

Sola 63-23-175-8 MCR Hardwire Regulator 750VA

The SolaHD MCR Hardwired Series provides excellent noise filtering and surge protection to safeguard connected equipment from damage, degradation or misoperation.

Combined with the excellent voltage regulation inherent to our ferroresonant design, the MCR can increase the actual Mean Time Between Failure (MTBF) of protected equipment.

The MCR is a perfect choice where dirty power, caused by impulses, swell, sags, brownouts and waveform distortion can lead to costly downtime because of damaged equipment.

- 750VA

- Voltage Input: 120, 208, 240, 480
- Voltage Output: 120, 208, 240
- Electric Connection: E

Manufacturer: Sola
Part Number: 63-23-175-8
Quantity: 1
